The vice admiral received these powers through an appointment from the Greek ministry of the interior to be "chief inspector." He is empowered to appoint inspectors with similar powers in other Greek cities.

An Athens dispatch to the Chronicle today said that this new arrangement has brought calm to the Greek capital, though negotiations between Greece and the allies are temporarily at a standstill.

## WILSON TO LAUNCH BEST EFFORTS NOW

Back at Shadow Lawn He Prepares for Vigorous Wind Up of Campaign.

LONG BRANCH, Oct. 21.—Back at Shadow Lawn today, after what he regards "the most successful trip" of his campaign, President Wilson prepared to launch his most vigorous efforts during the two weeks remaining before election.

This afternoon he addresses a delegation of farmers from the veranda of the summer White House here. Wednesday he leaves for Cincinnati, where he speaks Thursday. Tomorrow he speaks at Buffalo, N. Y., and on Saturday he speaks at Buffalo, N. Y., and on Sunday he speaks at Buffalo, N. Y.

The Democratic lieutenant will "carry" the election. They are talking "landslide." They're a mighty confident group of party leaders.

They believe that the trip of the President through rock-ribbed Republican Pennsylvania yesterday, when thousands of people met the train at every station, in spite of the continuous downpour of rain, indicates "the way of the tide."

At Lancaster last night, a communique which said that 10,000 people waited in a cold drizzle for more than an hour, and gave the President a great ovation.

The President was tired, but highly satisfied today. He is confident of the verdict of the voters two weeks from Tuesday. His long visit with former Secretary of State Bryan, the first meeting of the two men since Bryan's resignation, put him in fine spirits.

The little luncheon party which served to bring the President and his former cabinet premier into intimate touch again was unique. When Bryan reached Pittsburgh, the President asked him to ride in the same automobile with him.

"No, this is just an interested on-looker, like the rest," Bryan replied. "I am just interested in seeing you."

When they returned to the train the President asked the Communion to take luncheon with him. Again Bryan declined, but this time the President said: "Come on now. I have had a plate laid specially for you."

### Middleburg Authorities Are Mystified by Murder

MIDDLEBURG, Va., Oct. 21.—County authorities here today are mystified as they were yesterday by the discovery of the dead body of James Johnson, twenty-six, a farmhand of Marshall, dangling by the neck at the end of a chain attached to a frightened horse. The body, found in the woods about 200 yards from the town, had a bullet wound in the heart.

A drunken altercation Sunday night, it is thought, may have led to the crime.

The murdered man was the father of five children.

## MANAGER EXPLAINS FUNDS NOT ASKED OF FEDERAL EMPLOYEES

Recites "Some" Increases in Costs That Eating Houses Have Had to Meet.

"Some reasons why lunch rooms are demanding more for their food" are submitted in a communication to The Times by the manager of a Washington lunch room company.

He gives a list of the rising cost of foods and equipment of lunch rooms as follows:

	Was.	Now.
Coal	\$5.75	\$6.50-\$7.50
Washing soda	.45	1.00-1.10
Flour	4.15	5.50-5.55
Brooms	4.25	5.75
Scrub brushes	.85	.90
Fish	.84	1.15-1.18
Eggs	.14	.25
Turkey	.12 1/2	.25
Eggs	.15-20	.35-.45
Sugar	.04 1/2	.08
Potatoes	.55	1.00
Butter	.25-32	.37 1/2
Bacon	.14	.25
Corned beef	.07	.15

In addition to these he asserts that linen has gone up 30 per cent; dishes 25 to 40 per cent; cutlery from 40 to 60 per cent; wages of waiters 25 per cent, and—Which is a little point, he says, that has not generally been taken into account—Decreases in tips have been about 2,000 per cent.

The communication continues: "We have put 1 cent on our cup customers, as they cost us just about 5c. The egg orders and where eggs and milk are used, we have increased our prices about 20 per cent. Our pie is cut in the same number of pieces and size as has been for twenty-one years and still sells for 5c. Our food is the same high grade as has been for twenty-one years. When you take an extra pat of butter (which is seldom eaten and goes in the dish water; and we pay for it) we ask you to pay 2c. Now have a heart and don't imagine (as one of my customers did) that everything is up. It is not so."

Pharmaceutical Meeting.

The Washington Branch of the American Pharmaceutical Association will resume its fall and winter meetings Wednesday night at the National College of Pharmacy, 808 11th street northwest.

## FUNDS NOT ASKED OF FEDERAL EMPLOYEES

Democratic Chairman Denies Literature Has Been Circulated in Departments.

Emphatic denial was made today by Edmund Maliet, of the Democratic committee for the District of Columbia, of charges made by Republicans to the effect that circulars soliciting funds for the Democratic national campaign fund were being distributed among the employees in the various departments.

Mr. Maliet, who is in direct charge of the soliciting of funds, declared today that he was willing to take oath that not a single circular has been sent to any department. Those distributed, he declared, have been sent to persons whose names and addresses were on lists of contributors made up in the 1912 campaign. There is nothing in these lists, he declared, to show whether the persons on them are Government workers or not.

Challenges Accusers.

"I challenge those persons making these charges," he said, "to come forward with a single instance in which a circular has been sent to a Government department or bureau."

Particular emphasis will be laid at the Wilson Day mass meeting at Convention Hall on October 28 to what benefits have accrued to the citizens of the District of Columbia under Democratic rule. The attempt will be made to show that more has been done for the District during the past three years than in any previous period.

### Speak at Hay Market.

David J. Lewis, candidate for United States Senator from Maryland; Jackson H. Ralston, Democratic candidate for Congress from the Fifth Maryland district; and Congressman Carlin of Virginia, a candidate for re-election, are expected to be on the list of speakers for the Haymarket rally to be held by the Wilson and Marshall Democratic Association on the night of November 3 for the benefit of farmers from Maryland and Virginia.
